Vedic Astrology, or Jyotish Shastra, is a time-honored system that believes in the intimate connection between celestial bodies and human existence. At Jai Maa Kamakhya, we delve deep into the heart of Vedic Astrology, offering you a compass to navigate the cosmic map of your life.

The Essence of Vedic Astrology (H2)

- Kundali (Birth Chart):** Discover your personal cosmic blueprint through a Kundali, a sacred birth chart that unveils the celestial positions at your birth. It's your window to understanding your strengths, weaknesses, and life's potential.
- Planetary Forces:** Our experts delve into the profound influences of celestial bodies and their transits through the 12 Zodiac Signs and 27 lunar constellations (Nakshatras). These planetary movements have a profound impact on various facets of your life, including career, relationships, health, and spirituality.
